Dear Anika,

Thank you for taking part in the 2026 edition of our annual Essay Competition.

This was a record-breaking year, with thousands of entries submitted by students from across the world. Our judges remarked on the consistently high standard and originality of the essays across all categories, noting the clear time and care candidates had taken to research their ideas and develop their writing.

I am therefore delighted to be able to inform you that you have been selected to receive a partial scholarship of **30%** to take part in any programme with Immerse Education this summer.
